

Interview Activity Feedback – What will you do if you are not accepted into this program this year?

Transcript

Example of a better answer:

I will be fairly upset because I know this career is where I will have a positive impact on others. I have spent the last couple of years obtaining experience in this area by volunteering and job shadowing professionals in the field. I will talk to admissions to see if they can provide any guidance on what I can do to improve my chances next year. I am very passionate about this career and I'm committed to entering the field.
